Please contact Kert Harenda for assistance (414)647-1530; or by email at kharenda@kphbuilds.com

We're going *Back to the Basics* this year!

The Wisconsin Asbestos Seminar began almost twenty years ago as a joint effort between state regulators and private industry to share and disseminate relevant information with those involved in managing or handling asbestos.

The 2014 seminar drew a record 290 attendees and this year's seminar will be even better! Stay tuned for ongoing updates of topics and speakers.

**FRIDAY, DECEMBER 11, 2015
GLACIER CANYON LODGE & CONFERENCE CENTER
